

Seamen’s Anchor Society

A BUSINESS MEMBERSHIP PROGRAM

Formed in 1919 and ever adapting to changes on a developing waterfront, our mission today is **“to protect, preserve and enhance the maritime culture of Newport and Narragansett Bay by providing education, hospitality and a safe haven for those who work, live and play on or by the sea.”**

Our landmark building is the only original structure remaining on Market Square and is one of the few buildings on the Newport waterfront still being used for its original purposes. 100 years after its founding, Seamen’s continues to offer services and support to those working on the waterfront, to visiting and local mariners, and to those in need in the community.

Membership support is crucial to our mission of service.

Become an Anchor Society member today and receive prominent recognition of your support and member benefits.
